

**Florida Planning and Zoning Association**  
**Surfcoast Chapter**  
**REGIONAL FORUM**

**Community Redevelopment Agencies**

Community redevelopment is an economic development strategy which many local governments are currently using successfully to eliminate and prevent conditions of blight in their communities. CRAs provide the tools needed to foster and support this redevelopment. Discussion topics will include information related to programs and funding, cooperative partnerships, brownfields, and economic/redevelopment incentives.

**Friday, January 22, 2016**

**Registration 11:00 -11:30 am**
