

Kermit's Key Lime Pie Factory Tour

As the manufacturing sector recovers from the Great Recession, food production and distribution continue to be a mainstay of the Central Florida region. Everything from large-scale distribution to the cottage industry find the DeLand-Deltona-Daytona Beach region attractive due mainly to logistics. Come tour a local cottage industry success story and learn what it takes to thrive in this geographic area. Featured Speaker: Steve Burley, City of DeLand, Economic Development Manager
